Small School...

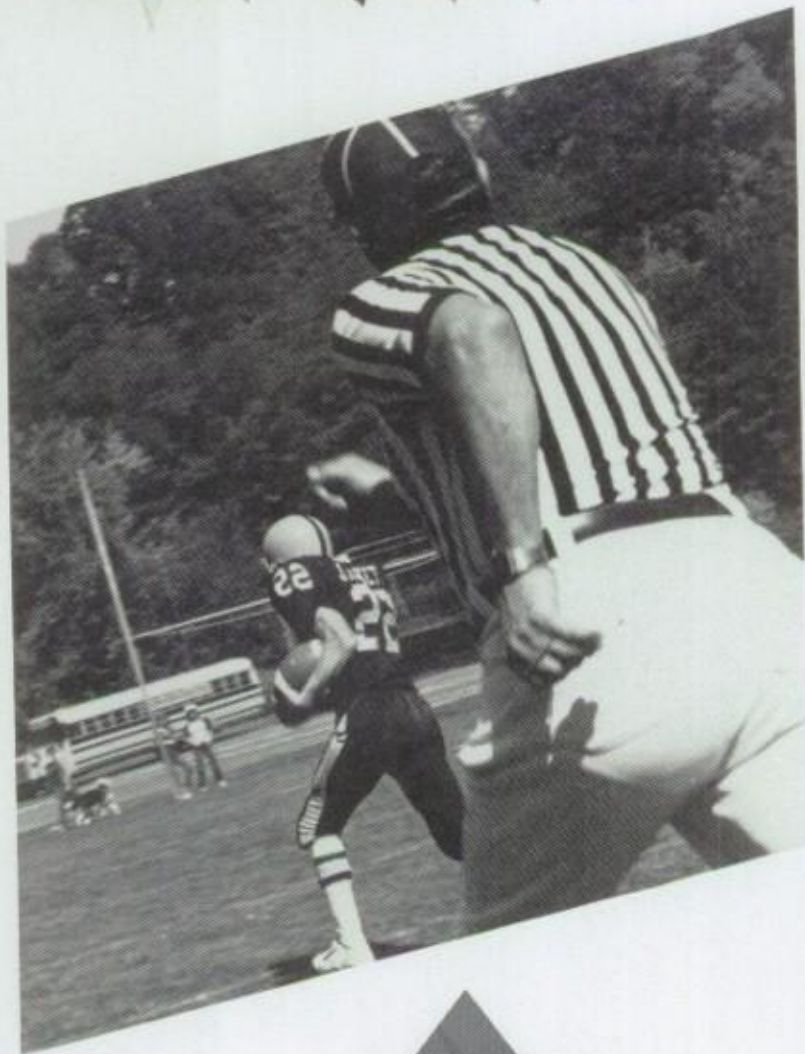

We, the Reflector staff of 1983, respectfully submit our edition of the Ferndale yearbook. The concept behind this book is to show the true spirit of our school. Printed on these pages are experiences that will hopefully be held in your hearts and minds.

We have all become close over the years; first as childhood playmates and later as life-long friends. Our closeness can be contributed to the fact that we have had the benefit of going to a small school, which has made us a big family.

Big Family

 etc... you are still a Orii. ^{as times}
 And also, you may be annoying

FAREWELL NOW MY FRIEND

I love you my friend.
You're quite true to me.
A true friend you are,
And always will be.
But you're leaving me soon
And going your own way.
Perhaps we will meet
In the future someday.
You left me with memories
Of good times we had
To treasure forever
And make me feel glad.
I wish you good luck
In all that you do.
May all of life's pleasures
Come your way, too.
Farewell now, my friend,
And please may you find
Some thoughts of me
Always in your mind.

As the 1982-83 school year draws to a close, we look ahead into the future . . . our unknown future . . . not knowing what lies ahead. Our years at Ferndale have prepared us well to overcome any future obstacles, but enough of the future. This yearbook, THE 1983 REFLECTOR, is part of our cherished past, and all the friendly faces and fond memories we have known and accumulated through our years together. These will be with us . . . long into our future.
